John McHugo takes the reader on a journey through the political, social, and intellectual history of the Arabs from the Roman Empire right up to the present day. His sweeping and fluent account describes in vivid detail the mission of the Prophet Muhammad, the **Amazon.com: Customer reviews: A Concise History of the Arabs**

Such is not entirely the case in A Concise History of the Arabs. Although, it does suffer from some superficial glossing over history not much more can be expected from a book that promises to be concise. The defining feature of this book is its one of the first books to break away from orientalist views of the Region and shows that McHugo is an invested individual that has spent time in the
