[A Field Guide to Dinosaurs: The Essential Handbook for ...](#)

The book begins with a short introduction to dinosaurs, and on page 30, the field guide begins. It is divided by period and continent. Each dinosaur is presented with several color and b/w sketches, a short description, size, and possible behaviour of the dinosaur. Of course, the behaviour is just based on guesses, but it's an interesting read. The images makes this book more than a field
