No god but God: The Origins, Evolution, and Future of ...

No god but God is an engaging, creative, insightful, and provocative book. It is a reminder that beyond the terrorism headlines, Islam, like its Abrahamic cousins, has been and remains a rich, dynamic spiritual path for the vast majority of Muslims.

No god but God: The Origins, Evolution and Future of Islam ...

No God But God begins with the journey of the author to Marrakech where he encountered an altercation between a Muslim and a Christian, who was a missionary.

Apparently, the Muslim kept on hovering the Christian just because he is a Christian. From here, he talked about the clash of monotheism concept - which apparently is the major conflict between religions in our world today.
