The book was good at describing how to recognize toxic people, explaining that what is toxic for one person is a positive joy to another (like the old trash and treasure addage). It takes a while to get to the "how do you handle toxic people" question/answers but once there, it doesn't take long to cover the possible solutions. I found some of those solutions to be less than useful but there

Now, the main point here is that toxic women and toxic men do make us sick. And life goes nowhere around such decadent souls. Alone, we have choices. With a mentally sick person in our life, you can't make plans for the future. It's impossible to make long-term plans when teaming with people that are too obsessed with conflicts and selfish needs. And hopefully, there will come a time when
