What particular aspects of the war does your book, The Second World War, focus on? In a way the book has not a very admirable genesis. I became more and more conscious that I had concentrated on certain areas of World War II and I always felt a bit of a fraud being billed as the great

[The Second World War \(book series\) - Wikipedia](#)

The Second World War is a history of the period from the end of the First World War to July 1945, written by Winston Churchill. Churchill labelled the "moral of the work" as follows: "In War: Resolution, In Defeat: Defiance, In Victory: Magnanimity, In Peace: Goodwill".

[The Second World War by Antony Beevor - Goodreads](#)

I have had the urge to read a good general history of the Second World War for years and finally decided to go for this one as Antony Beevor is highly regarded. This is a good narrative history that provides an accessible general picture of the central historical moment of the last century.
