Descent Into Darkness is a condensed book; the recipe would be to add one part her words on paper and one part your own feelings, ponder for some time to allow this to simmer into a delicacy of life's purpose one in which you may think you know already but may not have been exposed to your own understanding without Marija Petrovic turning the key to open your mind. This is an ideal book

Descent into Darkness | U.S. Naval Institute

Descent into Darkness is the only book available that describes the raising and salvage operations of sunken battleships following the December 7th attack. Once Raymer and his crew of divers entered the interiors of the sunken shipwrecks attempting untested and potentially deadly diving techniques they experienced a world of total blackness, unable to see even the faceplates of their helmets.
