[World War II: A New History: Evan Mawdsley ... -](#)
[Amazon](#)

This book is a magisterial global history of World War II.
Beginning in 1937 with the outbreak of the Sino-Japanese
War, Evan Mawdsley shows how the origins of World
War II lay in a conflict between the old international order
and the new and then traces the globalisation of the
conflict as it swept through Asia, Europe, and the Middle
East.

World War II Seen by a Classicist, and Other New Books ...

It wouldn't make a good introduction to World War II, but it may win readers already familiar with the conflict's events. Much of the book is written at the level of the strategic overview.

World War II - Wikipedia

World War II (often abbreviated to WWII or WW2), also known as the Second World War, was a global war that lasted from 1939 to 1945. The vast majority of the world's countries including all the great powers eventually formed two opposing military alliances: the Allies and the Axis.

50 Books on World War II Recommended by John Keegan

I have thousands of books on World War II, from my work of writing magazine articles and e-books on the subject, so I've read heaps, from meretricious potboilers to scholarly dissertations to self-serving memoirs. It's tough to create a top 50, and Sir John Keegan had a tough job to do with that list.
