Pride and Prejudice - Wikipedia

Pride and Prejudice, like most of Austen's other works, employs the narrative technique of free indirect speech, which has been defined as "the free representation of a character's speech, by which one means,

Pride and Prejudice Themes from LitCharts | The creators ...

Pride and Prejudice is a love story, but its author is also concerned with pointing out the inequality that governs the relationships between men and women and how it affects women's choices and options regarding marriage. Austen portrays a world in which choices for individuals are very limited, based almost exclusively on a family's social rank and connections. To be born a woman into such a
