By Dr. David Rock Improving the performance of your employees involves one of the hardest challenges in the known universe: changing the way they think. In constant demand as a coach, speaker, and consultant to companies around the world, David Rock has proven that the secret to leading people (and living and working with them) [ ]

[Quiet Leadership: Six Steps to Transforming Performance at ...](#)

David Rock cites new discoveries of the brain and the way we think as his foundation for Quiet Leadership. The main thrust of his Six Steps is that leaders should not tell people what to do; in fact they shouldn't even concern themselves with the details of what their people do, but rather, with the way their folks think. The way to improve behavior is by improving the way people think. The
