The Cambridge Photographic Star Atlas - Astro Art, Books ...

It will be interesting to see if the digital photographs in Stoyan's upcoming Cambridge Photographic Star Atlas will have this level of representation for visual observers. However, for digital imagers, the representation of digital quality will probably be there and digital imagers may want to compare their work with those in Stoyan's upcoming atlas.

The Cambridge Photographic Star Atlas: Axel Mellinger ...

When the Cambridge Photographic Star Atlas arrived on my doorstep, I was quickly impressed with the quality of the photographs of the star charts. The numbers of stars is stunning and it helps me imagine what the sky might look like without light pollution. The atlas reminded me of an old book I have, "A Field Guide to the Stars and Planets", Menzel (1964) where there is a chapter containing a
