From Amazon. David Chilton's popular The Wealthy Barber is a good starting point for anyone who wants to construct a personal financial plan. Many people are so scared of dealing with their money that they don't do anything at all--only to suffer for it over the long haul.

[The Wealthy Barber - Wikipedia](#)

The Wealthy Barber, full title (The Wealthy Barber: The Common Sense Guide to Successful Financial Planning) is a financial planning book franchise by Canadian author David Chilton. The first book in the series was in the business fable genre, using the story of fictional characters to convey financial advice.

Much like Chilton's first book, The Wealthy Barber, this book makes financial planning fun and easy to understand. I've read quite a few of personal finance books to compare this to and Chilton has gift for combining for humor and insight unlike any other personal financial writer I've seen. This a must read for anyone trying to figure out their personal finances to ensure a sound retirement.
