The White Fox is another great title put out by a Barrington Stoke imprint. This is gorgeous package, complete with tinted pages with font and spacing that are great for dyslexic readers, a handful of gorgeous illustrations throughout the story, dust jacket, and placeholder ribbon.

Chalon, the dog-fox encounters a beautiful pure white vixen and together they journey to find The Singing Tree. I enjoy animal stories especially ones about foxes, but the style of writing in this novel left me thinking it was ok but not loving it as I have with other fox stories.
