US Coins | eBay

The United States has made commemorative coins and 12 other types of coinage. The first 5-cent piece was produced in 1866, and it was called the shield nickel because it bore the Great Seal of the United States on its front. The first dimes were produced in 1794, and they were made of silver until President Roosevelt began appearing on them in 1964. Mintage of the quarter started in 1796.
